Mission

The Sally Ride Science Junior Academy offers fascinating and fun learning experiences in science, technology, engineering, arts and math (STEAM) designed for students entering grades 6 through 12 during the 2018-2019 school year. During these classes and workshops, students assume the roles of space explorer, ocean engineer or computer scientist as they immerse themselves in hands-on projects. Top-notch STEAM instructors lead these classes and workshops, serving as both teachers and role models. The classes and workshops also incorporate real-life stories of vibrant women conducting research in each field. Their examples inspire students and help make STEAM careers more accessible.

Meet Your Team

Tam O’Shaughnessy, Ph.D., Executive Director
Tam O’Shaughnessy is cofounder and executive director of Sally Ride Science at UC San Diego. She grew up in California and played professional tennis from 1971 to 1974. She earned B.S. and M.S. degrees in biology from Georgia State University. After receiving her Ph.D. in school psychology from UC Riverside, she became a professor in that field at San Diego State University. Tam was the life partner of Sally Ride, America’s first woman in space. In 2001 Sally and Tam joined with three friends to found Sally Ride Science. Tam served as the company’s chief creative officer and later as chief operating officer, chair of the Board of Directors, and chief executive officer. Tam has written 14 children’s books, including six with Ride.

Edward Abeyta, Ph.D., Director of Pre-College Programs & Associate Dean, UC San Diego Extension
Edward L. Abeyta is the associate dean and director of Pre-College Programs at UC San Diego Extension. Edward has a B.A. from the University of New Mexico, an M.A. from the University of San Diego and his Ph.D. in Post-Secondary Adult Education from Capella University. In 2008 Edward was selected as the staff advisor to The Regents, where he has served on the UC Diversity Commission, Post-retirement Task Force and The Regents UC Commission on the Future. Most recently he was appointed to the UC Scout (Scout) Advisory Board. Scout is one of the University of California’s Student Academic Preparation and Educational Partnerships programs that develops and delivers UC A-G approved online classes and curriculum to students in California and around the globe.

In 2015 Edward was the lead architect in transitioning Sally Ride Science, the national STEM education for-profit company, to UC San Diego. Edward is also the founder of the University of California TV STEAM-channel and STEAMconnect.org, and an active member of the San Diego community as a trustee and vice chair of the San Diego Youth Symphony, founding board member and vice president of the Urban Discovery Academy and president of the Urban Discovery Foundation. Edward is deeply involved in programs serving foster youth and veterans as well as other youth development programs.
### Megan Lancaster, Program Manager
Megan Lancaster is a program manager for UC San Diego Pre-College and Career Preparation Programs, where she focuses on planning, implementing and evaluating academic and enrichment programs to meet the individual needs of students in preparation of collegiate and professional pursuits. Prior to working with UC San Diego Extension, Megan served as the program supervisor for the Viejas Tribal Education Center and also taught grades K-12 in the local public and private school districts. Megan received a B.A. in social science from San Diego State University and a Single-Subject Teaching Credential in social science, Multiple-Subject Teaching Credential and M.A. in education from Azusa Pacific University.

### Maysoon Dong, Program Manager
Maysoon Dong is a program manager of UC San Diego Pre-College and Career Preparation Programs. She has worked for UC San Diego in a variety of different capacities for over 7 years. Prior to working with UC San Diego Extension, she was the assistant director of the California State Summer School for Mathematics and Science (COSMOS) program at the Jacobs School of Engineering. She also worked in the Division of Biological Sciences as a program coordinator, developing and maintaining continuing education programs for professionals in the field of biotechnology. Maysoon received her B.A. in mathematics and economics from UC San Diego and received her M.S. in economics from Boston University.

### Karen Flammer, Ph.D., Cofounder
Dr. Karen Flammer is the director of the Digital Learning Center at UC San Diego Teaching Commons. Karen is a third-generation physicist. She earned her B.S. in applied physics and Ph.D. in space physics at UC San Diego. While doing research in space and planetary physics, Karen became passionate about educational outreach and increasing girls' and minorities' participation in science, technology, engineering and math (STEM) fields. In 2001, she co-founded Sally Ride Science with the goal of narrowing the gender gap in STEM. Karen has more than 20 years of experience directing large-scale STEM outreach and professional development programs, most notably Sally Ride EarthKAM and the Sally Ride Science Academy.

### Debi Kilb, Ph.D., Science Lead Instructor
Dr. Debi Kilb holds a joint appointment: she is the Science Outreach Director for Sally Ride Science and she is also a seismologist at Scripps Institution of Oceanography. Her primary research interest is in mainshock/aftershock sequences, with a focus on earthquake source physics and earthquake triggering processes. Kilb teaches the Music of Earthquakes class for the Sally Ride Science Summer Academy. She received a B.A. in mathematics and computer science with a minor in music from UC San Diego, a master’s degree in applied mathematics from UCLA and a Ph.D. from the University of Memphis specializing in seismology. Prior to coming to Scripps/UC San Diego, Kilb completed a postdoctoral fellowship at Princeton University.

### Margaret King, Writer/Editor
Margaret King was senior science editor and writer at Sally Ride Science from 2009 to 2015, when Sally Ride Science became part of UC San Diego. Margaret helped create books and teacher guides that presented science concepts and profiled notable scientists with the goal of awakening students’ interest in science careers. Before joining Sally Ride Science, she worked at The San Diego Union-Tribune in a variety of editing positions, including as politics editor and editor of the “Quest” science section. She received her bachelor’s degree from the UC Berkeley, with a double major in English and history and her master’s degree in journalism from Columbia University.
Jennifer Matthews, Graphic Designer at Scripps Institution of Oceanography

Jennifer Matthews is a graphic designer at the Institute of Geophysics and Planetary Physics (IGPP) at Scripps Institution of Oceanography, UC San Diego. There she has been helping to illustrate and promote the efforts of geologists, glaciologists, seismologists and the other Earth science researchers for the past 15 years. Her tenure at IGPP has also given her the ability to work with other departments and programs at Scripps and UC San Diego, notably Birch Aquarium, Scripps Director’s Office, PRAGMA and now Sally Ride Science. Prior to joining the staff at IGPP, Jennifer served in a similar capacity at UC San Diego’s San Diego Supercomputer Center for five years.

Dan Velazquez, Program Representative

Dan Velazquez joined the UC San Diego Pre-College and Career Preparation Programs office in January 2014. Dan graduated from UC San Diego with a B.A. in psychology, and has aspirations of pursuing a master’s degree in postsecondary educational leadership. Dan served as a resident assistant for the Academic Connections Program in 2011. Prior to joining UC San Diego Extension, he worked in the Dean of Student Affairs Office at Revelle College as a program assistant, and Sixth College Residential Life Office as the Interim Housing Coordinator. As the program representative, Dan is responsible for coordinating the UC San Diego LAUNCH undergraduate program, Academic Connections Research Scholars and Studies, Test Prep courses (ACT, SAT, GRE, GMAT, LSAT and MCAT) and Transfer credit courses.

Robin Wittman, Senior Program Manager

Robin Wittman has over 25 years of experience at UC San Diego providing project management, strategic planning and operational support in department areas including: Anesthesiology, Epidemiology, Extension Office of the Dean and UCSD Global CONNECT. Prior to returning to UC San Diego, Robin was an investor relations specialist and stock plan administrator for Websense, the global leader in Web filtering software. In August 2010, Robin leveraged her combined experience in the public/private sector and higher education by assuming the role as the UCSD Extension Pre-College and Career Preparation program manager. Her program portfolio includes the UC San Diego LAUNCH undergraduate program, Academic Connections Research Scholars and Studies, Test Prep, College Exploration courses, X credit courses and High School Independent Studies. Her passion is working with tribal youth, foster youth and first generation, low income students to help prepare them for college.

MISSION BAY HIGH SCHOOL: 2475 Grand Avenue, San Diego, CA 92109

From the South
- Take I-5 North
- Exit Grand/Garnet Avenue (Exit 23A)
- Merge onto Mission Bay Drive
- Turn slightly left onto Grand Ave
- Left onto Lee Street
- Destination will be on the left

From the North
- Take I-5 South
- Exit Balboa Ave/Garnet Ave (Exit 23)
- Continue straight on Mission Bay Drive
- Sharp right onto Grand Avenue
- Left onto Lee Street
- Destination will be on the left

PARKING
There is no curbside drop-off or pickup. Parents or other approved adults must park to sign students in and out each day. Please allow ample time for parking so your student can get to the academy on time. Free parking is available in the “big lot” on Lee Street (see photo). Please follow all designated parking rules, as violators may be towed.

ABSENCES
If your student is not going to attend his/her scheduled workshop for the day, please report this absence by calling the SRS Junior Academy office at 858-822-8194. Note that you may call this number at any time during academy hours (7am-6pm) in case of emergency, to update designated parental pickup contact information or for any other concerns.

DROP-OFF
On the first day of the workshop, you and your student will sign in at the front desk located at the Mission Bay High School Library. On subsequent days, check-in will be with the instructor in the classroom. Students who are driving themselves to the academy must also sign in and will not be allowed to leave Mission Bay High School for the duration of the day’s classes and workshops.

PICK-UP
All sign-outs will be in the front office (located at the Mission Bay High School Library). Please be on time for pickup unless you have registered your student to participate in late pickup. Classes and workshops will close promptly, and additional supervision will not be provided. Students participating in late pickup must be picked up by 6pm. You must sign your student out when you pick them up each day. High school students have the option of checking themselves out at the end of each day with parent/guardian permission stated on the Authorization Form. In this case, high schools students will report to the front office at the end of each day and sign themselves out. One instance of excessively late pickup (more than 10 minutes) will be permitted. Additional late pickups may result in your student being excused from the program. Please bring a photo ID with you to show the office staff to assure the safety of your student. If someone other than you or the persons authorized on the registration form will be picking up your student, you must submit a written note to staff with your signature and a copy of your ID. The person picking up your student must also bring a photo ID.
LUNCH

Students participating in both morning and afternoon sessions should bring a non-perishable lunch and beverage each day. There will be a one-hour lunch break from 12 to 1pm. Please do not send food or drinks in glass containers. Lunches will not be refrigerated; therefore, we ask that you send lunches that do not contain mayonnaise or other food items that will spoil if not kept cold. Freezing lunches and juice the day before and/or inserting a cold pack in the lunch container will help preserve the food. Please mark all lunches (and all containers inside lunches) with the student’s first and last name and the date. Please also add your student’s name to their water bottles. There will be drinking fountains and a location where students can refill their water bottles as needed throughout the day’s activities.

JUNIOR ACADEMY SWAG

Each student will receive a Sally Ride Science T-shirt, Sally Ride Science drawstring backpack, nametag and lanyard. Students are required to wear their lanyards with nametags each day. Students are encouraged to wear their T-shirts on the first day of the workshop (Monday) and the last day of the workshop (Friday).

DRESS CODE

Students are expected to exercise sound judgment, safety, good taste and modesty regarding their dress and grooming.

- Stomach must be covered and shirts must touch the tops of pants
- Undergarments may not be exposed
- No strapless shirts, completely bare shoulders or sheer clothing
- No sagging pants
- Bottom of a student’s shorts/skirt must reach or extend beyond the fingertips when the student’s arms are at their side
- Wallet chains are not permitted
- Footwear (sandals or shoes) must be worn at all times
- Sleepwear, blankets and pajamas are not permitted
- Hats and hoods are not permitted to be worn indoors
REQUIRED FORMS

The following forms must be completed and returned to srs@ucsd.edu before the first day of the workshop. If you do not complete and return these attached documents prior to the start of the academy, your student may not be allowed to participate in his/her workshop. If you have difficulty submitting the forms electronically, you may bring completed forms with you on the first day of the workshop.

- **Part I**: Waiver of Liability, Assumption of Risk and Indemnity Agreement
- **Part II**: Emergency and Medical Information Form
- **Part III**: Student Visitor/Departure Authorization Form
- **Part IV**: Photography Release
- **Part V**: 2018 UC San Diego Online Services: User Obligations and Responsibilities

EARLY REGISTRATION DAYS

Junior Academy now offers two days of early registration for participants. This will provide you and your student the opportunity to complete all requirements and pick up materials prior to the first day of classes and workshops. There are two days and times available. If you are not available to attend either day, registration is still available the first day of Junior Academy.

- **Thursday: June 21**
  - Time: 4-8pm
  - Location: Mission Bay High School Library

- **Saturday: June 23**
  - Time: 9am-12pm
  - Location: Mission Bay High School Library

ACCIDENTS & EMERGENCIES

All precautions will be taken to prevent serious health risks to students. In the event that a minor injury occurs, the trained staff will administer first aid at the workshop location and the incident will be recorded. The student will be observed by the trained staff, who will assess and record any changes or concerns. In the event of a medical emergency, the staff will take immediate action in accordance with your orders on the registration form policies and waivers. Please be sure to keep these forms updated at all times. If the staff cannot reach parents or other approved responsible adults, the student will be taken to the nearest hospital for any necessary treatment.
CODE OF CONDUCT

Good behavior will be encouraged in a positive manner. The staff will work cooperatively with parents and guardians, keeping them informed of behavior concerns and methods used to teach and guide students toward socially acceptable behavior, which include:

• Strive to do the best work possible.
• Tolerate and respect individuals of different races, cultures, religions, genders, sexual orientations, disabilities and national origins.
• Behave in a friendly, cooperative and responsible manner toward all persons in the program and extended programs and in the larger local communities.

If a behavior incident does occur, the following protocol will be followed:

1. A Junior Academy staff member and the student will discuss the student’s behavior and collaboratively work on a positive plan moving forward. The staff member will document the incident, conversation and forward plan.

2. A Junior Academy staff member and the student will discuss the student’s behavior and contact the parent or guardian immediately. The staff member will inform the parent of the prior occurrence and if there is a third incident, the student will be removed from Junior Academy and a refund will not be provided.

3. A Junior Academy staff member and the student will discuss the student’s behavior and contact the parent or guardian immediately. The parent will be notified they need to pick up their student immediately and that the student will be taken off the workshop schedule without a refund.

HARASSMENT POLICY

Sally Ride Science is committed to having a positive learning environment. Furthermore, all students and staff of the Sally Ride Science Junior Academy program have the right to an environment free of harassment or violence of any type. Because of this, the following will not be tolerated:

• **Sexual harassment includes**, but is not limited to, unwelcome sexual advances, requests for sexual favors, or other verbal, visual, written or physical conduct of a sexual nature, which create an intimidating, hostile or offensive educational/social environment for students, faculty or staff. Sexual harassment is demeaning and degrading. It affects an individual’s self-esteem and can have a negative impact on performance. It can make an individual feel angry, powerless and fearful. Considering this, a victim should share their feelings/concern with a Sally Ride Science instructor or staff member immediately.

• **Bullying harassment includes**, but is not limited to, any kind of comment, threat or action that creates an intimidating or hostile atmosphere. Every student has the right to pursue an education without being concerned about physical, verbal or emotional abuse.

• **Physical harassment includes**, but is not limited to, any kind of physical violence, intimidation, threat or harassment directed toward any Sally Ride Science participant, instructor, staff member or any other individual. Any allegation of harassment at UC San Diego or at any Sally Ride Science related activity during the program will be investigated, and disciplinary action will be taken if allegations prove to be factual.

### PART I - WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT

Waiver: In consideration of being permitted to participate in any way in the 2018 Sally Ride Science Junior Academy, scheduled during June 25, 2018 to July 20, 2018 in San Diego at Mission Bay High School, herein called “The Activity,” I, for myself, my heirs, personal representatives or assigns, do hereby release, waive, discharge, and covenant not to sue The Regents of the University of California, its officers, employees, and agents from liability from any and all claims including the negligence of The Regents of the University of California, its officers, employees and agents, resulting in personal injury, accidents or illnesses (including death), and property loss arising from, but not limited to, participation in The Activity. Participation in The Activity, especially those held out of state, inclusion, but are not limited to: ability to stand on your feet long periods of time, and other related activities associated with research work in the field.

Assumption of Risks: Participation in The Activity carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as scratches, bruises, and sprains 2) major injuries such as eye injury or loss of sight, joint or back injuries, heart attacks, and concussions to 3) catastrophic injuries including paralysis and death.

Indemnification and Hold Harmless: I also agree to INDEMNIFY AND HOLD HARMLESS the Regents of the University of California, any of their respective employees, agents and representatives from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney’s fees brought as a result of my involvement in The Activity and to reimburse them for any such expenses incurred.

Severability: The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the law of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

Acknowledgment of Understanding: I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understanding its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

The undersigned parent/guardian of the student(s) named herein agrees that in the event of emergency illness or any accident, permission is hereby granted for the treatment by any physician or hospital to which the student is referred for diagnosis and/or treatment. Parents or guardians agree to make direct payment to Sally Ride Science as a reimbursement for any services rendered at the UCSD Student Health Center. The UCSD Student Health Care Center and Sally Ride Science are not responsible for submitting insurance claim forms. Please provide a front and back copy of your student’s medical insurance card and include in this packet before submission.

I hereby certify that I am the parent or legal guardian of the student(s) named above, and have read, acknowledge and fully understand this waiver and its terms. I further understand that I am signing this agreement freely and voluntarily, and intend by my signature to completely and unconditionally release all liability to the greatest extent allowed by law the UC Regents, UC San Diego, Sally Ride Science and its agents. I give my consent without reservation to the foregoing on behalf of him or her.

PART IV - PHOTOGRAPHY RELEASE

Print Student’s Full Name: ___________________________ Last: _________ First: _________ M.I. _________
Print Student’s Full Name: ___________________________ Last: _________ First: _________ M.I. _________
Print Student’s Full Name: ___________________________ Last: _________ First: _________ M.I. _________

During the program, pictures may be taken of students in the midst of their learning and social activities. These pictures may be used in future brochures and public information pieces on Sally Ride Science. There may also be a local television news crew filming for a special report. Please let us know if you are comfortable with your student(s) being photographed and/or filmed by checking one of the two options below.

☐ YES, I give permission for my student(s) to be photographed and/or filmed.
☐ NO, I do not give permission for my student(s) to be photographed and/or filmed.

UCSD Standard Model Release Form:
The undersigned enters into this Agreement with UCSD Extension Programs (herein called "Photographer/Film Crew"). I have been informed and understand that Photographer/Film Crew is producing marketing materials for the Sally Ride Science program and that my name, likeness, image, voice, appearance and/or performance is being recorded and made a part of those materials ("Product").

1. I grant Photographer/Film Crew and its designees the right to use my name, likeness, image, voice, appearance, as embodied in the Product whether recorded on or transferred to videotape, film, slides, photographs, audio tapes, the internet or other media, now known or later developed. This grant includes without limitation the right to edit, mix or duplicate and to use or reuse the Product in whole or part as Photographer/Film Crew may elect. Photographer/Film Crew or its designee shall have complete ownership of the Product in which I appear, including copyright interests, and I acknowledge that I have no interest or ownership in the Product or its copyright.

2. I also grant Photographer/Film Crew and its designees the right to exhibit, market, and otherwise distribute the Product, either in whole or in parts, and either alone or with other products, for commercial or noncommercial printing and advertising or any other purpose that Photographer/Film Crew or its designees in their sole discretion may determine. This grant includes the right to use the Product for promoting or publicizing any of the uses.

3. I confirm that I have the right to enter into this Agreement, that I am not restricted by any commitments to their parties, and that Photographer/Film Crew has no financial commitment or obligations to me as a result of this Agreement. I hereby give all clearances, copyright and otherwise, for use of my name likeness, image, appearance and performance embodied in the Product. I expressly release and indemnify Photographer/Film Crew and its officers, employees, agents and designees from any and all claims known and unknown arising out of or in any way connected with the above granted uses and representations. The rights granted Photographer/Film Crew herein are perpetual and worldwide.

4. In consideration of all the above, I hereby acknowledge I am receiving no monetary compensation for this release, and am signing below with full understanding and free will. I have read the foregoing and understand its terms and stipulations and agree to all of them.

I hereby certify that I am the parent or legal guardian of the student named above, and have read, acknowledge and fully understand this waiver and its terms. I further understand that I am signing this agreement freely and voluntarily, and intend by my signature to completely and unconditionally release all liability to the greatest extent allowed by law the UC Regents, UC San Diego, Sally Ride Science and its agents. I give my consent without reservation to the foregoing on behalf of him or her.

Sally Ride Science students are authorized to use the University’s Internet/Online services in accordance with the following obligations and responsibilities:

1. Users are responsible for proper use of online accounts at all times. Users shall keep private personal account numbers, home addresses, and telephone numbers. They shall use the system responsibly.
2. The Internet shall be used for educational purposes only. Commercial, political and/or personal use is strictly prohibited. The University reserves the right to monitor online communication for improper use.
3. Users shall not use the system to encourage the use of drugs, alcohol, or tobacco, nor shall they promote unethical practices or any activity by law or University policy.
4. Users shall not transmit or access material that is threatening, obscene, disruptive, or sexually explicit nor material that could be construed as harassment or disparagement of other based on race, national origin, sex, sexual orientation, age disability, religion or political belief.
5. Materials obtained or copied on the Internet may be subject to copyright laws, which govern the making of reproductions of copyrighted works. A work protected by copyright may not be copied without permission of the copyright owner unless the proposed use falls with the definition of “fair use.” Violation of copyright laws may subject user to an action for damages and/or injunction.
6. Users shall not read others’ mail or files, they shall not attempt to interfere with other users’ ability to send or review electronic mail, nor shall they attempt to delete, copy, modify or forge other users mail.
7. Users are expected to keep messages brief and use appropriate language.
8. Users shall report any security problems or misuse of the network to any Sally Ride Science Staff.
9. The Internet contains material that may be considered harmful. The University will not knowingly allow the use of the Internet for access of harmful matter. Because the University is a public place shared by students and staff of all ages, staff reserves the right to end the Internet sessions when such material is displayed. The University maintains all Internet stations.

I understand and will abide by the provisions and condition on this contract. I understand that any violation of the above provisions may result in disciplinary actions, the revoking of my technology access privileges, dismissal from the program, and/or appropriate legal action.

I have read this contract and understand that Internet privileges are intended for education purposes. I understand that it is impossible for the Regents of the University of California, any of their respective employees, agents and/or representatives to restrict access to all controversial materials, and I will not hold the University responsible for material acquired on the network. I agree that my son/daughter’s inappropriate use of the University’s technology may result in disciplinary action, the loss of technology privileges, dismissal from the program, and/or appropriate legal action. I hereby give my permission for my student to access information utilizing the University network and Internet gateway.

I hereby certify that I am the parent or legal guardian of the student named above, and have read, acknowledge and fully understand this waiver and its terms. I further understand that I am signing this agreement freely and voluntarily, and intend by my signature to completely and unconditionally release all liability to the greatest extent allowed by law the UC Regents, UC San Diego, Sally Ride Science and its agents. I give my consent without reservation to the foregoing on behalf of him or her.
