The Sally Ride Science Junior Academy offers fascinating and fun learning experiences in science, technology, engineering, arts and math (STEAM) designed for students entering grades 4 through 12 during the 2020-2021 school year. During these classes and workshops, students assume the roles of space explorer, marine biologist or computer engineer as they immerse themselves in hands-on projects.

Top-notch STEAM instructors lead these classes and workshops, serving as both teachers and role models. The classes and workshops also incorporate real-life stories of vibrant women conducting research in each field. Their examples inspire students and help make STEAM careers more accessible.
FUN FACT
Sally Ride became the first American woman and also the youngest American in space on June 18, 1983.

### Workshop Pricing

**One-week workshop**

- Session 1, 12-hour workshops: $160
- Sessions 2-4, 15-hour workshops: $200

Session 1 workshops are 4 days (June 29 - July 2) because of the Fourth of July holiday.
PARKING
Parents are required to sign their students in the first day of each week. Students can go straight to class all other days. Parents are also required to sign their students out at the end of each day, unless students are granted self check-out as indicated by the parent on the authorization form. Please allow ample time for parking so your student can get to the academy on time. Free parking is in the structure and on the street. Please follow all designated parking rules, as violators may be towed.

ABSENCES
If your student is not going to attend their scheduled workshop for the day, please report this absence by calling the SRS Junior Academy office at (858) 534-0804 or emailing srs@ucsd.edu. If a student is absent on the first day and this absence is not reported to SRS, they will be dropped from their workshop(s) and no refund will be provided. You may call the office at any time during academy hours (8am-5pm) in case of emergency or other concerns.

DROP-OFF
If you and your student did not attend one of the pre-registration days, on the first day of your student’s workshop, you and your student must sign in at the front desk located at the University City Center (6256 Greenwich Drive, San Diego, CA 92122). If you and your student did attend one of the pre-registration days, your student can go straight to class. If a student is driving themselves, they are not permitted to leave campus during the duration of class or lunch. Please note that your student will not be supervised prior to the start of their workshop unless they are signed up for early drop-off.

PICKUP
All sign-outs will be in the front office (located in the lobby of the University City Center building). Please be on time for pickup unless you have registered your student for late pickup. Please note that your student will not be supervised past the time of their workshop if they are not registered for late pickup. Students who are participating in late pickup must be picked up by 5pm. You must sign your student out each day, unless you consent to your student checking themselves out as noted on the authorization form. If your student has consent to sign themselves out each day, they must report to the front office to sign out before leaving. One instance of excessively late pickup (more than 10 minutes) will be permitted. Additional late pickups may result in your student being dropped from the program. Please bring a photo ID with you to show the office staff when checking your student out.
THE BASICS
LUNCH
Students participating in both morning and afternoon sessions should bring a non-perishable lunch and beverage each day. There will be a 60-minute supervised lunch break from 12-1pm for students participating in both AM and PM workshops. You will need to enroll your student in the 60-minute lunch break. There is no fee for this.
Please do not send food or drinks in glass containers. Lunches will not be refrigerated; therefore, we ask that you send lunches that do not contain mayonnaise or other food items that will spoil if not kept cold. Freezing lunches and juice the day before and/or inserting a cold pack in the lunch container will help preserve the food. Please mark all lunches (and all containers inside lunches) with the student’s first and last name and the date. Please also add your student’s name to their water bottles. There will be drinking fountains and a location where students can refill their water bottles as needed throughout the day’s activities.

JUNIOR ACADEMY SWAG
Each student will receive a Sally Ride Science T-shirt, nametag and lanyard. Students are required to wear their lanyards with nametags each day. Students are encouraged to wear their T-shirts on the first day of the workshop (Monday) and the last day of the workshop (Friday).

DRESS CODE
Students are expected to exercise sound judgment, safety, good taste and modesty regarding their dress and grooming.
• Stomach must be covered and shirts must touch the tops of pants
• Undergarments may not be exposed
• No strapless shirts, completely bare shoulders or sheer clothing
• No sagging pants
• Bottom of a student’s shorts/skirt must reach or extend beyond the fingertips when the student’s arms are at their side
• Wallet chains are not permitted
• Footwear (sandals or shoes) must be worn at all times
• Sleepwear, blankets and pajamas are not permitted
• Hats and hoods are not permitted to be worn indoors

ACCIDENTS AND EMERGENCIES
All precautions will be taken to prevent serious health risks to students. In the event that a minor injury occurs, the trained staff will administer first aid on-site and record any concerns. In the event of a medical emergency, the trained staff will call 9-1-1 and the student will be taken to the nearest hospital for any necessary treatment.

EARLY REGISTRATION DAY
Junior Academy now offers one day of early registration for participants. This will provide you and your student the opportunity to complete all required forms and pick up materials prior to the first day of classes and workshops. We encourage you to attend the early registration day, but if you are unable, registration will be available the first day of Junior Academy.
Day: Saturday, June 27
Time: 8am-12pm
Location: UC San Diego Extension University City Center

STUDENT SERVICES
If you have questions regarding what workshop(s) you are enrolled in, or to add/drop workshops, please contact our Student Services team at unex-reg@ucsd.edu and/or (858) 534-3400. Student Services can also assist you with any payment questions and requests for receipts.
CODE OF CONDUCT
Good behavior is encouraged in a positive manner. The staff will work cooperatively with parents and guardians, keeping them informed of behavior concerns and methods used to teach and guide students toward socially acceptable behavior, which include:

- Strive to do the best work possible.
- Tolerate and respect individuals of different races, cultures, religions, genders, sexual orientations, disabilities and national origins.
- Behave in a friendly, cooperative and responsible manner toward all persons in the program and extended programs and in the larger local communities.

If a behavior incident does occur, the following protocol will be followed:

1. A Junior Academy staff member and the student will discuss the student’s behavior and collaboratively work on a positive plan moving forward. The staff member will document the incident, conversation and forward plan.

2. A Junior Academy staff member and the student will discuss the student’s behavior and contact the parent or guardian immediately. The staff member will inform the parent of the prior occurrence and if there is a third incident, the student will be removed from Junior Academy and a refund will not be provided.

3. A Junior Academy staff member and the student will discuss the student’s behavior and contact the parent or guardian immediately. The parent will be notified they need to pick up their student immediately and that the student will be dropped from the workshop schedule without a refund.

HARASSMENT POLICY
Sally Ride Science is committed to providing a positive learning environment. Furthermore, all students and staff of the Sally Ride Science Junior Academy program have the right to an environment free of harassment or violence of any type. Because of this, the following will not be tolerated:

- **Sexual harassment includes**, but is not limited to, unwelcome sexual advances, requests for sexual favors, or other verbal, visual, written or physical conduct of a sexual nature, which create an intimidating, hostile or offensive educational/social environment for students, faculty or staff. Sexual harassment is demeaning and degrading. It affects an individual's self-esteem and can have a negative impact on performance. It can make an individual feel angry, powerless and fearful. If an incident occurs, a victim should inform a Sally Ride Science instructor or staff member immediately.

- **Bullying harassment includes**, but is not limited to, any kind of comment, threat or action that creates an intimidating or hostile atmosphere. Every student has the right to pursue an education without being concerned about physical, verbal or emotional abuse.

- **Physical harassment includes**, but is not limited to, any kind of physical violence, intimidation, threat or harassment directed toward any Sally Ride Science participant, instructor, staff member or any other individual. Any allegation of harassment at UC San Diego or at any Sally Ride Science related activity during the program will be investigated, and disciplinary action will be taken if allegations prove to be factual.
In order for your student to be eligible for participation in a chosen workshop(s), you are required to complete the digital authorization form in advance of the first day of their workshop. Failure to do so will result in your student being dropped from their workshop(s). The authorization form will be sent to you via email once your student is registered for a workshop. Please follow the link and complete the form within 48 hours. Failure to do so may result in your student being dropped from the program with no refund.
